R/c from Mr. ni, he reviewed with me that about a year ago he went to a night club in Washington DC Called 1223, while he was there the stud earring that he was wearing fell out of his ear. He did not realize this until he left the club. He called the club and followed up but they did not have the earring. I looked up the club online they are no longer in business. PH is ex- professional basketball player. Reviewed with ph about sfrs, he would like to have the quote go to the closest jeweler, he would like to take the cash out option for settlement. Sending referral to ch.
